UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF NEW YORK  
-----X  
ELSA GULINO, ET AL.,

Plaintiffs,

v.

96-CV-8414 (KMW)

THE BOARD OF EDUCATION OF THE  
CITY SCHOOL DISTRICT OF THE CITY  
OF NEW YORK,

**ORDER**

Defendant.

-----X  
KIMBA M. WOOD, United States District Judge:

On May 20, 2014, this case was referred to Special Master John S. Siffert pursuant to Federal Rule of Civil Procedure 53(a)(1)(B) and this Court's inherent equitable powers and authority. (ECF Nos. 435, 524.) On December 20, 2024, Special Master Siffert filed a Revised Report and Recommendation ("R&R") regarding a cohort of claimants whose damages awards were reduced to proposed judgments and submitted to the Special Master in November 2024 (the "November 2024 Cohort"). (ECF No. 12074.) The claimants who constitute the November 2024 Cohort are listed in Exhibit 1 to the R&R. The Special Master recommended that this Court adopt the Proposed Findings of Fact and Conclusions of Law for each claimant in the November 2024 Cohort, found in Exhibit 2 to the R&R; direct entry of the Proposed Judgments for those claimants, also contained in Exhibit 2 to the R&R; and certify those Proposed Judgments as final and appealable pursuant to Federal Rule of Civil Procedure 54(b). (*Id.*)

The parties agree that objections that have been preserved in the record do not need to be resubmitted to the Court in connection with the R&R. The parties further agree that the Court may adopt or reject the R&R on the basis of the arguments and objections to rulings contained in the record.

As set forth in the Second Amended Order of Appointment and consistent with Federal Rule of Civil Procedure 53(f), the Court reviews *de novo* all objections to conclusions of law and findings of fact made or recommended by the Special Master. (ECF No. 524.) Upon *de novo* review of the R&R, as well as the Proposed Findings of Fact and Conclusions of Law—and after reviewing the previous Interim R&Rs that this Court has already adopted—the Court adopts the Special Master’s R&R in its entirety.

Accordingly, the Court adopts the Proposed Findings of Fact and Conclusions of Law with respect to each member of the November 2024 Cohort and will enter the Proposed Judgments for the November 2024 Cohort. For the reasons set forth in the R&R, the Court holds there is no just reason for delay and certifies the judgments as final and appealable pursuant to Federal Rule of Civil Procedure 54(b).

SO ORDERED.
